

Become part of something Greater.

Industrial recruiting is very competitive. The Greater Statesville area has tremendous potential, but we needed a plan to make our economic growth and increased quality of life a reality. The Greater Statesville Area Committee of 100 is the means by which we direct our efforts and capitalize on all available opportunities.

Join us today for an annual investment of just \$500.

The Committee of 100 is a group of individual and corporate citizens who, through private donations, help to fund the marketing efforts of the greater Statesville area.

GREATER STATESVILLE COMMITTEE OF ONE HUNDRED

The Committee of 100 is a part of the Greater Statesville Development Corporation. Its purpose is to raise the necessary funds that will enhance the research and marketing materials on the greater Statesville area that are needed for presentations, reports, prospect needs, videos, etc. for industrial development recruitment for the Greater Statesville Development Corporation.

Committee of 100 Membership Benefits

- Quarterly economic development briefings with local, state and national resource people as speakers.
- E-news published to include up-to-date economic development issues, expansion/new investment announcements, and current marketing/promotional strategy.
- Special invitations to plant expansions/new industrial announcements and/or ground breakings.
- Networking opportunities for local business leaders interested in economic development.
- The opportunity to invest directly into our local economic development marketing fund, which increases the tax base and provides new jobs for the citizens of Iredell County.
- Engraved nameplate on the Committee of 100 Membership
- Roster framed in the lobby of the Chamber of Commerce building.
- Members and contact information are listed on Greater Statesville Development Corporation Web site. www.greaterstatesville.org
