Donald R. McNeeley, Ph.D., is president and chief operating officer of Chicago Tube and Iron Corporation of Romeoville, Illinois and a professor at Northwestern University's McCormick Graduate School of Engineering.

Dr. McNeeley, immediate past chairman of the Metals

Service Center Institute, is also a former adjunct professor at DePaul University, recipient of that university's Best Teaching Award in 1983 and 1998, and a former member of its Institute for Business and professional Ethics. In 2005, Dr. McNeeley was a finalist for the prestigious Ernst & Young Entrepreneur of the Year award. In 2006, Dr. McNeeley was selected as *Metal Center News'* Executive of the Year.

McNeeley is a graduate of the Harvard Business School. He holds a B.A. degree in business and an M.B.A. with a concentration in human resource development, as well as a M.S. degree in management and organizational behavior. He received his Ph.D. with a major in business and concentration in economics. In addition to Harvard, McNeeley attended the University of Wisconsin, George Williams College and Benedictine University.
